November 6, 2026

Re: Price Adjustment

Due to the continued rise in cost of steel substrate put into effect by domestic mills, along with increases in transportation costs, DMI will be implementing the following price adjustments.

Effective November 23rd, 2026, all order acknowledgements and quotes will reflect current market pricing, with increases in the following products:

- **Steel flat sheets & coils ~ 4-5%**
- **Steel panels ~ 4-5%**

All orders placed prior to EOB November 20th, 2026 must ship by December 4th, 2026, or they will be requoted with current market pricing at time of shipment. Quotes issued prior to November 23rd will be honored until the expiration date listed on quote.

We will continue to monitor the market and keep our valued customers up to date with what we are seeing. All of us at Dimensional Metals appreciate our loyal, long-term, repeat customers and we will continue to do what we can to ensure the success of your project.

Sincerely,

JB Wissman
