Re: Price Adjustment

Due to rising raw material costs directly related to the Trump administration's tariffs policies, DMI will be implementing the following price adjustments.

Effective August 11, 2025, all order acknowledgements and quotes will reflect current market pricing, with increases of the following products:

- **Aluminum flat sheets & coils ~ 5%**
- **Concealor™ fasteners ~12%**

All orders placed prior to August 11th must ship by August 22nd, 2025, or they will be requoted with current market pricing at time of shipment. Quotes issued prior to August 11th will be honored until the expiration date listed on quote.

We will continue to monitor the market and keep our valued customers up to date with what we are seeing. All of us at Dimensional Metals appreciate our loyal, long-term, repeat customers and we will continue to do what we can to ensure the success of your project.

Sincerely,

A handwritten signature in black ink, appearing to read "JBW", is written over a light grey, stylized oval background that matches the DMI logo's shape.
