Re: Price Adjustment

Due to the continued rise of steel substrate, along with increases in coating and transportation costs, DMI will be implementing the following price adjustments.

Effective September 14, 2026, all order acknowledgements and quotes will reflect current market pricing, with increases in the following products:

- Unpainted galvalume sheets ~ 10%
- Unpainted galvalume panels & trims ~ 10%
- Painted steel flat sheets & coils ~ 6-7%
- Painted steel panels & trims ~ 6-7%
- Panel clips ~ 5%

All orders placed prior to September 14th must ship by September 30th, 2026, or they will be requoted with current market pricing at time of shipment. Quotes issued prior to September 14th will be honored until the expiration date listed on quote.

We will continue to monitor the market and keep our valued customers up to date with what we are seeing. All of us at Dimensional Metals appreciate our loyal, long-term, repeat customers and we will continue to do what we can to ensure the success of your project.

Sincerely,

A handwritten signature in black ink, appearing to read "JBW", is written over a light blue horizontal line.
